OWNERS OF DOGS NEGLECTING TO GET LICENSES.

Up to date only a small per centage of dog owners in the city and county have taken out licenses for their animals. The time has been extended to January 15 to enable the owners of these unlicensed dogs to comply with the law.

If these faithful canine friends are worth anything at all, they are worth the \$1.00 or \$2.00 tax, and the collar which are required to give them a lawful right to live. We hope that the owners will put their dogs within the law, as it is a "mighty onery" cur that wouldn't do the same and more for his master, were situations reversed.
